ZERO SMART WALL FACED BIDET SUITE

Note: Important – Please refer to the installation guide for the correct installation criteria.

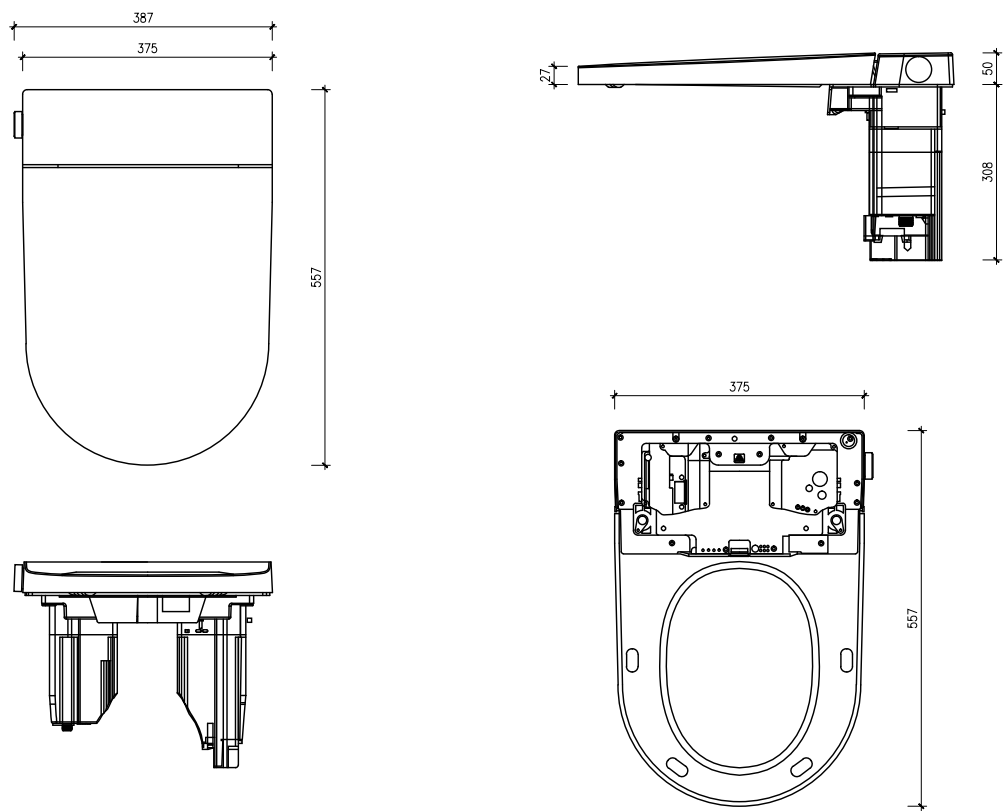

The Zumi Zero Smart Toilet Suite with an integrated bidet seat complies with WMTS-051. The bidet seat features an integral break tank with a 130mm air gap, in compliance with AS 2845.2. As a result, it meets the high-hazard backflow prevention requirements of AS/NZS 3500.1, eliminating the need for an RPZ valve.
